## IS SOVEREIGN MISTAKEN?

Executive Board Men Say No General K. of L. Strike Was Meant.

## A CALL GENERALLY UNHEEDED

Even Authenticity of the Appeal Doubled in Philadelphia.

## WAS A REVOCATION SENT OUT?

Story of One Received in Cleveland Is Denied in Chicago.

WASHINGTON, July 11.—Messrs. J. W. Hayes, General Secretary, T. B. McGuire and C. A. French, of the Executive Board of the Knights of Labor, arrived here last night on business connected with the strike. Speaking of their business, Mr. McGuire said:

"We are here partly for the purpose of working up an interest in the bill recently introduced in the Senate by Mr. George, of Mississippi, which provides for compulsory arbitration. We will call on Mr. George to-day and have a consultation with him concerning it. After that we will confer with the local assemblies of the Knights of Labor on various subjects."

"The affairs throughout the country, on account of the strike, are so serious that we need all the help we can get, and I believe that Washington will stand by us. We expect to stay in Washington for several days before finishing our business."

From statements made by the members of the Board the strike appeal of General Master Workman Sovereign contemplates a progressive strike and not a universal one.

"The present order of Mr. Sovereign," Mr. Hayes and McGuire said, "applies to Chicago and was issued by Mr. Sovereign on the application of the local unions. It applies to no other place than Chicago. It does not contemplate a general strike, and Mr. Sovereign has not the authority to order such a strike except by the consent of a majority of the Executive Board of the Knights of Labor."

## NO ORDER IN PHILADELPHIA.

Even the Authenticity of the Appeal Doubled There.

PHILADELPHIA, July 11.—No action has been taken by the Knights of Labor in this vicinity with reference to General Master Workman Sovereign's request that they quit work pending the settlement of the Pullman difficulties, and it is not believed that any serious action will be taken.

At the Knights of Labor headquarters in this city none of the officials could be seen to-day.

The mar in charge of the headquarters had read Sovereign's appeal, and expressed the opinion that it was "faked" by some newspaper man. He said that it contained language that the local unions would not believe in, and that it was not a strike, but a "lock-out" of the Pullman men.

It was further said at headquarters that not a line had been received there to indicate that the appeal had been issued to the Knights of Labor. If a call for a strike were issued, it would be regarded as an appeal and local unions would not order a strike.

At the Knights of Labor headquarters in this city none of the officials could be seen to-day.

## K. OF L. APPEAL ALL RIGHT

Sovereign Says It Was Not an Order, But a Request.

A despatch from Philadelphia to-day stated, in effect, that the authenticity of the Sovereign appeal to the Knights of Labor was doubted by the man at the Knights' headquarters, in the Quaker City. In response to a direct query from "The Evening World," General Master Workman Sovereign sends the following from Chicago:

To the Evening World, New York:

Not having seen as it appeared in New York City press, I am unable to say whether or not the telegraph company was on file with the telegraph company. It was not correctly published. It did not contain an order, but a request.

J. R. SOVEREIGN.

## DID SOVEREIGN REVOKE?

Story at Cleveland that He Did Is Denied in Chicago.

CLEVELAND, O., July 11.—A telegram has been received at the headquarters of the Knights of Labor from General Master Workman Sovereign, at Chicago, as follows: "Do not strike. See reports."

A member of the Knights of Labor, in speaking of the telegram, said he thought it was sent on account of the Debs indictment. In case the Grand jury should take steps looking to the indictment of Sovereign, this message would be on file with the telegraph company, showing he had called off the strike previously ordered.

## MAY TACKLE MANAGERS NOW.

Strikers Said to Have Facts for the Federal Grand Jury.

CHICAGO, July 11.—It is reported that when the Federal Grand Jury concludes its investigation of the American Railway Union it will begin an inquiry into the policy and methods of the General Managers' Association.

Among the leaders of the workmen the charge has been made openly and repeatedly that the obstruction of interstate commerce was due quite as much to the General Managers as to the Railway Union.

It has been stated that the general managers are among themselves that no train should be run on any of the roads until all had gained their points in dispute with the men. This was done, it is charged, to hold back such companies as showed an inclination to treat with their employees and bring about a resumption of traffic on the men's lines.

It is asserted by the men that they can prove that telegrams were sent out from the General Managers' Association ordering certain railroad lines to send out no trains till a designated scheme had been accomplished. All this, the strikers say, was done to obstruct interstate commerce.

Judge Grosscup and District Attorney Mitchell have said that justice will be done, and that no violators of the Federal statutes.

## WANT TO IMPEACH OLNEY.

K. of L. Leaders Charge the Attorney-General with High Crimes.

PHILADELPHIA, July 11.—A memorial, asking for the impeachment of Attorney-General Olney has been prepared by the Executive Board of the Knights of Labor for presentation to Congress.

It will be circulated all over the country for signatures.

The memorial declares that Richard Olney has been guilty of high crimes and misdemeanors, subjecting him to impeachment and removal from office.

The crimes consist in his advice to the President to introduce Federal troops into Illinois and other States, when they had not been asked for by State authorities, and, in fact, against the earnest protest of certain Governors.

As a result of this advice United States soldiers have fired upon and killed citizens of several States without lawful or sufficient cause.

Mr. Olney is also charged with encouraging the Pullman Company in the stand it has taken against arbitration.

McDermott, in the name of Commissioner Andrews, applied for an order of removal. O'Brien returned and arrested McDermott.
